General Fund Summary

Purpose:

The General Fund is used to account for financial resources applicable to the general governmental operations of the City including Police, Fire, Library, Parks & Recreation, a portion of Public Works and general government services.

Assumptions for Major Resources:

The largest sources of revenue for the General Fund are Property Taxes, Sales Tax, Property Tax in Lieu of Vehicle License Fees (VLF) and Utility Users Tax (UUT). Exclusive of non-recurring revenue, General Fund revenue is projected to grow by 5.0 percent over FY 18 Adopted. Property Taxes, inclusive of the revenue resulting from the State dissolution of the Redevelopment Agency (RDA) is projected to experience moderate growth. Positive growth is also seen in Property Tax in Lieu of VLF and Transient Occupancy Tax. The FY 19 budget also assumes \$54.5 million in revenue from the voter approved Transaction and Use Tax, known as Measure A. The Measure added a transactions and use (sales) tax on the sale and/or use of all tangible personal property sold at retail in the City for a 10 year period. The first six years of the tax will be at a rate of one cent for every dollar spent (or one percent), and then decline to one-half cent for every dollar spent (or one-half percent) for the remaining four years. The tax will automatically terminate after the tenth year.
